

Welcome

Welcome to the NeIC 2015 conference

The Conference has ended

The conference has now ended and we would like to thank everybody for their active participation, and we wish everybody a safe trip back home.

Registration

Registration is now closed.

The NeIC 2015 Conference is scheduled for 5-8. May 2015 in Espoo, Finland.

Building on the enthusiasm from the first Nordic e-Infrastructure Conference last year, we are happy to announce the next NeIC Conference, to be hosted by NeIC and CSC - IT Center for Science. Similar to the first NeIC conference we aim to organise NeIC 2015 as a collaboration between CSC, DeIC, NeIC, NORDUnet, RHnet, SNIC and UNINETT Sigma.

Check out the programme to read more about all the various workshops and conference sessions. Click the individual workshop titles and see what it is all about.

You can recap on the first NeIC conference [here](#).
