

Mats Hansson

Prof Mats Hansson

Name Mats Hansson
Organisation Centre for Research Ethics & Bioethics - Uppsala University
Job title Director

Bio Mats Hansson leads the BBMRI ELSI common service together with three other co-directors, aiming to provide support in issues pertaining to ethical, legal and societal impact in biomedical research. He is the director of the Centre for Research Ethics & Bioethics and has conducted extensive research in biomedical ethics as principal investigator in several multi-disciplinary research projects dealing with issues ranging from ethical, social and legal aspects of the implementation of genetic diagnosis in clinical practice and the use of human tissue materials in research, to clinical and medical ethics. He holds an undergraduate degree in biology (1974) and a doctoral degree of theology (1991). Mats Hansson is Professor of Biomedical Ethics, funded by Uppsala University and the Uppsala County Council together. He also works as a clinical consultant at Akademiska sjukhuset (Uppsala University Hospital)

Talks

BBMRI-ERIC ELSI Common Service and Applying Privacy Rights as well as rights to medical treatment for large cohorts
